COMMENTS ON THE EXAMINER'S REASON FOR ALLOWANCE

DATED MARCH 22, 2007

RESPONSE:

The Applicant expresses his appreciation for the Examiner's allowance of the claims as amended in the Office Action response of December 6, 2006 and by the Examiner's amendment of March 22, 2007.

The Applicant agrees with the Examiner's stated reason for allowance with respect to claim 1 (without the need for each element recited for the basis of patentability) but notes that the other claims are patentable for other reasons as noted in Applicant's prior responses to the office actions.

No fee is due with this communication, however, should a fee be necessary, the Commissioner is hereby authorized to charge any fees or credit any overpayments to Deposit Account No. 11-0404.

Respectfully Submitted,

Date: April 10, 2007
